STYLISH SECURITY

for your precious cargo.

PRO-FORM SPORTLIDS provide the security you demand and also transform your pickup truck, seamlessly integrating to enhance its fantastic look.

Stylish and sleek, PRO-FORM SPORTLIDS are available for all dual cab pickup trucks in both our SPORTLID I (single piece) and SPORTLID II (3 pieces, incorporating a Sportbar or original styling bar in some markets) options.

STYLE.

- » Stylish and sleek PRO-FORM SPORTLIDs compliment and enhance the appearance of your pickup truck
- » Either colour matched to the vehicle or in the black textured finished

PROTECTION.

- » Lightweight, tough and durable
- » Side mounted slam latches and SPORTLIDs wrap-over design ensures your cargo is safe, secure and protected
- » Finished with a high-bond surface that is durable and easy to paint to a Class A automotive standard
- » Made from UV protected engineering plastic

SECURITY.

- » PRO-FORM SPORTLIDs are made using a rigid twin-skinned plastic construction
- » Tough enough to resist any unwanted entry to your pickup truck bed
- » Push button centre lock secures your cargo

EASE.

- » Non drill fitment methods make install quick, easy and simple
- » PRO-FORM's unique easy-on, easy-off removal systems
- » SPORTLID I has a unique hinge system enabling wide-open access to cargo

PRO-FORM SPORTLID II

Tri knob attachment, for easy lid removal
